

# TRAINING IN PREPARATIONS FOR INFRASTRUCTURE INVESTMENT PROJECTS

This training has been developed within the project "Local Leaders in South-East Europe: Lead for Change (LL SEE)", implemented by the Network of Associations of Local Authorities of South-East Europe (NALAS), its member Local Government Associations (LGAs) and the GIZ, to enhance leadership and management competences of local decision makers and managers from Municipalities (LGs) and Public Utility Companies (PUCs) for planning and implementation of investment projects in the field of municipal WSS infrastructure.

## Overall Training Objectives

- Participants are familiar with the pre-requirements of external funding, and
- Participants are able to carry out the necessary preparations to implement infrastructure investment projects.

## Training Topics

- Domestic funds and programmes
- International funds and programmes
- Project cycle management-project management fundamentals
- Project stakeholders
- Project implementation
- Monitoring, evaluation and audit
- Internal organisation and planning
- Institutional arrangements in complex multi-donor infrastructure projects
- Planning for implementation of infrastructure project funded by IFIs
- Feasibility study preparation
- Cost-benefit analysis

## Target group

- **LGs:** Upper management (General Secretariat, Head of Finance, Head of HR, etc.), and
- **PUCs:** Upper management (members of the Supervisory Board, General Management, Executive Managers of the technical, financial and legal sectors, Head of PIU)
