TEMPORARY PROTECTION CENTER

- Our temporary protection center was put into service on 03.09.2012. It was built on 500-decare land of Industry Cooperative which is 4 km away from the center. 17.718 Syrian refugees live in 3.691 tents in our temporary protection center. They can leave the center between the hours of 06.00-20.00 in all days of the week except Sunday. Around 3.500-4.000 people per day leave the center by getting permission. The exit and entry of the refugees are controlled by computer supported systems.

TEMPORARY PROTECTION CENTER

- Syrian guests in our temporary protection center generally come from cities like Halep, İdlip, Hama, and Humus in Syria.
- There are 12 neighborhoods on the 56-parcel-area in the temporary protection center. Neighborhood representatives are selected among Syrian guests and they involve in the management.
- Each parcel has its own toilet, shower and prayer room.

BASIC LIFE-NUTRITION

Delicatessen (pre-prepared food) service which had been applied since the beginning was abandoned in June 2013 and food card service has been applied since then.

For each guest;

the credit of ₺50 (WFP) + ₺35 (AFAD) = ₺85 has been loaded to family cards. With this credit, guests do their shopping in the markets in the temporary protection center and cook their own food. As such, guests can eat according to their cultural food preferences.

BASIC LIFE- HEALTH SERVICES

There is Sahra Hospital which provides 24-hours-service in our temporary protection center. The number of polyclinics per day is around 400. As of January 2015, health services are provided starting from the first level. In Sahra Hospital, there are two specialist physicians including one for children and the other for internal diseases. Moreover there are 3 midwives, 1 medical officer and 4 data processing staff in our medical units. There is one general practitioner working in official holidays and out of working hours on 24-hours basis. Health services are provided in shed-type tents and prefabricated Sahra Hospital is built by the UN and AFAD. In addition, we have one patient transport ambulance.

Commercial Activities

- The number of companies established by or in partnership with Syrian asylum-seekers: 26

Family and Social Policies Provincial Directorate

1- SERVICES PROVIDED BY ÇADIRKENT FAMILY AND SOCIAL SUPPORT UNIT

- During August, Çadırkent Family and Social Support Unit carried out activities on psychological support for 70 families, 3 disabled people and 4 orphan children.
- As of August, according to the records of Çadırkent Family and Social Support Unit subordinate to Provincial Directorate, the number of orphan children is 97; the number of children attending activities of Family and Social Support Unit is 81 and the number of disabled children is 5.

2- SERVICES PROVIDED FOR CHILDREN LIVING-WORKING-BEGGING IN THE STREET

- As a result of searching operations of the mobile team formed upon the decision of the Ministry of Family and Social Policies in 2014, 21 Syrian children are found and identified in August. Identified children are taken back to their families and families are guided for not sending their children to beg. In addition, there have been inspection claims on the children and their families to our social service centers in which the children's addresses are registered. As a result of inspections carried out until August, 92 Syrian children were recorded.

3- SERVICES PROVIDED FOR SYRIAN TEENS AND THEIR FAMILIES

- Until August, monthly cash aids were provided for 13 Syrian families under the name of social and economic support. Currently, the procedures on the aid for 5 families are going on.
- In order to ensure integration of Syrian children living outside of the camps to the society via Children's Rights Committees, the Ministry and UNICEF jointly organized a training programme between 03-06 August in İzmir. In company with one child development specialist from our Provincial Directorate, 5 children (3 Turkish and 2 Syrian) attended the programme.

4- SERVICES TO BE PROVIDED FOR SYRIAN GUESTS

Before the feast of sacrifice, in order to help orphan Syrian children and those in need, present packages were delivered to 140 Syrian families by İnsani Şam Derneği (Humanitarian Damascus Association).
